

Buy a Piece of the Marsh Haven Boardwalk Order Form

Beautiful Leopold benches were repurposed from the old boardwalk, which was replaced in 2016. You have an opportunity to call one of these unique benches your own. A donation to offset the material purchase for the new boardwalk will "Buy a Piece of the Boardwalk."

Donation Levels:

- \$250 – Personalized Leopold bench to stay at Marsh Haven and be placed along the trails
- \$300 – Personalized Leopold bench to take home

All benches are one of a kind because they are made from reclaimed lumber, and there are limited quantities available. Personalization will be on the backrest of the bench.

Please print neatly – two lines maximum
